# Beach cover-ups

While many of us go to the beach to get that lovely sun-kissed glow, too much sun exposure is a bad thing.

# Palazzo Pants

Palazzo pants are characterized by their wide legs that flare out from the waist, creating a loose and flowing silhouette.

The lightweight fabric and relaxed fit make them comfortable for casual wear, especially in warm weather. Due to their design, they can also be referred to as wide-leg pants or lounge pants if they are intended for more casual, at-home wear.

This came with 2 Pockets so you can keep your own things while stay comfort.
